**H**er name is Almaz Beyene. She is former PFDJ diehard living in Diaspora. Now, she already has vowed, “ENOUGH! 2019: NOW ENOUGH!.

Ms. Almaz has shattered the wall of tradition, as being the boldest Eritrean woman ever to confront the fascist regime of Isayas Afewerki.

ወ/ሪት አልማዝ በየኛ

አብ ኤርትራ ቅዋም የለን።  
ቅዋም ይተግበር፡ ይብል አለኝ።

እዚ ዝግበር ዘሎ ሰላም፡  
ቡቲ ትጻጽ፡ ቡቲ ትኣቲ፡  
ህዝቢ ኤርትራ ክፈልጦ አለዎ።

**Ms. Almaz has enormously surprised the Eritrean Diaspora communities, both on the People's Front for Democracy and Justice (PFDJ) camp and the anti-dictatorship camp collectively known as Opposition Camp.**

**Finish! Ms. Almaz is done with the system of Isayas. Not only her departure, she left fully realizing the entire structure of the man-eating regime in Eritrea. Also, she has fully recognized that the regime of Isayas is built on making the Eritreans ignorant, disoriented, misinformed and utilizing divide and rule and terror to muzzle any kind of dissent.**

**The familiar PFDJ bandana on Ms. Almaz's head, the Eritrean flag hanged on the wall and the dangling PFDJ umbrella are reminiscent for us that Ms. Almaz's is former heavyweight vanguard in PFDJ.**

**የሕዋተይ ዝወደቕሉ ዶብ፡  
ዶቦይ ክሕንጸጸለይ ኣለዎ፡ ይብል  
ኣለኹ ኣነ።**

**ክዛረብ መሰለይ'ዩ፡  
ኣብ ዓዲ መሰል'የ ዘለኹ።**

**ልቦይ ተኒፊሐ ክመውት  
ፍቓደኛ ኣይኮንኩን።**

**በዚ ፍቕሪ ይብል፡  
በቲ ፍቕሪ ይፅምጽጽ፡  
በዚ ሓቂ ይብል፡  
በቲ ሓቂ ይፅምጽጽ፡  
ኣይከውንንዩ።**

**ይኣክል!  
2019፡ ሕጂ ይኣክል!**

**ንሓቂ ጥራይ ክትሰኡ ኣለኩም።**

**Ms. Almaz has stood up boldly against Isayas Afewerki and she has openly called upon all Eritreans whether a supporter or an opponent, that we should be on the side of truth, rule of law, accountability and transparency.**

**She is reminding all Eris, that the border should be delineated on the ground immediately. She has echoed her concern that all foreigners whether Tigrayans or Ethiopians should be allowed to enter Eritrea only with valid visas and the same for Eritreans, we should travel to Ethiopia with valid visas.**

**Stop wielding Ethiopian flags and dancing with foreigners, who had killed thousands of Eritrean youth during the Eritro-Ethiopian border war, Ms. Almaz has warned us strongly.**

**Salute! Mr. Almaz. We are dedicating this literature to honour your unforgettable deeds.**

# Sincerely
