

## Call for Papers

Dear fellow Eritreans,

By now, you have seen political developments in our region create serious concerns of sovereignty. In addition, continued human rights violations and unconstitutional governance have caused an alarming rate of exodus and depopulation of our country.

This has prompted the **“Yiakl”** or **“Enough-is-Enough”** movement throughout the world!

Eritrean communities throughout North America are organizing a large event to voice this message loud and clear. The issue at hand is a matter of endangered sovereignty and gross human rights violations that affect all Eritreans. It is not an “opposition” vs “supporter” issue. This is about the need for all Eritreans to make a stand on issues that are critical to the existence of Eritrea as a nation.

We call upon and urge all Eritreans from all walks of life to come together and take a stand on these issues together. The least one can do is to participate and send documents for discussions for symposium. We invite submissions of posters - poster size (48" x 36") , road maps, discussion documents, charters, programs, bylaws or organizational structures.

The deadline for submission is May 4, 2019.
