

UNITED ERITREAN POLITICAL FORCES CONDEMN THE ASSAULT ON AMANUEL EYASU IN LONDON ON 26 NOVEMBER 2019 BY ERITREAN GOVERNMENT SUPPORTERS.

We the undersigned Eritrean political organizations strongly condemn the terrorist assault conducted on a prominent Eritrean journalist and senior editor of Eritrean Satellite TV Radio Assena Amanuel Eyasu on Tuesday 26 November 2019. A similar attack was also conducted a year ago on a British journalist Mr. Marin Plaut a renowned friend of the Eritrean people and cause.

These brutal attacks in broad day light on the streets of London by the of the regime in Eritrea and its supporters is a clear indication of its desperation and fear of the free press in general and the opposition media outlets in particular of which Assena Satellite TV is at the forefront.

The regime that rules by terrorizing the Eritrean people is now attempting to export it abroad. Rest assured our endeavors to restore justice to our people will prevail. We encourage our partner in struggle Amanuel Eyasu to continue with his excellent work and pledge to him our continued unflinching support. We call upon the British Government to conduct a thorough investigation and bring the perpetrators to justice.

These acts of terror and intimidation by the regime in Eritrea is an indication of the growing strength of all Eritrean media outlets and in particular Satellitia TV Assena – a pride of the Eritrean media outlet and a genuine product of the struggle of the Eritrean people.

Victory to the Eritrean people!

Victory to the Free Eritrean Media Outlets!

Down to the regime in Eritrea and its supports abroad!
