

Boycott Ethiopian Airlines!

Freedom and peace loving people of the world boycott your flights using the so called 'Ethiopian Airlines.

As if the flight service has not been built by the sweat and resources of people to a world standard from its shambolic existence at the hands of the monarchs and the military dictator; it is now used to transport soldiers to loot and destroy Tigray which was at the heart of taking the country to enlightenment and progress at a speed of double digits growth. The TPLF shock and awaken the near dead slumbering empire to fast growing federated nations, only to be stabbed on the back, by those who were denied the imperial privileges at the expense of the oppressed.

From one university the oppressors built and run for over a century to educate their families and their Amhara foot-soldiers, the Tigrian led government opened 45 universities all over the country to produce medical doctors, engineers, educators and pilots who are now turned renegades working very hard to destroy the very hand that the purveyed the skills and talents, their parents and grandparent did not and could not provide: ኸን ድዝ ኸለ ስኩ እደይ ተነ ኹስ ኩ::

People of the World: West and East!

Boycott the Ethiopian Airlines, so as the gourmand ን ፍጠሻ /expansionist oppressors could not manage to obtaining the dollar they infatuatedly love to feed us with innocent people's Blood, as they are. Committing in Tigray!!

Dear customers. As we are busy loading vast amount of soldiers of the Eritrean defence forces from Asmara to Bahir Dar and Prosperity Party servicemen from Addis Ababa to Asmara, we won't be providing regular services for the time being. Our secret apologizes for any inconvenience this might cause. **Ethiopian Airlines**
